1. General Information

NIKKO AM GLOBAL INVESTMENTS (LUXEMBOURG) (the "Fund") has been established in Luxembourg as a mutual investment umbrella fund ("Fonds commun de placement à compartiments multiples") organized under the laws of the Grand Duchy of Luxembourg and registered under Part I of the Luxembourg Law of 17 December 2010, as amended, relating to undertakings for collective investment (the "2010 Law") for an unlimited period of time. The European Union Directive 2014/91/EU (known as "Ucits V Directive") transposed into national law and came into effect on March 18, 2016.

The Fund was converted as a UCITS subject to Part I of the 2010 Law by decision of the Management Company and the Custodian with effect from July 14, 2014. Prior to July 14, 2014, the Fund was established in Luxembourg as an open-ended unincorporated mutual investment fund (Fonds Commun de Placement - Fonds d'Investissement Spécialisé) (Specialised Investment Fund) ("FCP-SIF"). The Fund was organised in Luxembourg pursuant to the amended Law of February 13, 2007 concerning Specialised Investment Funds.

The Management Company may on behalf of the Fund issue different classes of units (the "Units") which are related to specific pools of assets (each a "Sub-Fund") established within the Fund. In respect of each Sub-Fund, the Management Company pursues a specific investment policy. For the purposes of relations between the Unitholders, each Sub-Fund is deemed to be a separate entity.

The securities and other assets of the Fund are segregated from the assets of the Management Company and are managed by the Management Company in the interest of the Unitholders and on their behalf.

BNP Paribas Securities Services - Luxembourg Branch has been appointed as the depositary of the assets of the Company (the "Depositary") pursuant to the terms of a depositary agreement, as amended from time to time (the "Depositary Agreement"), administrative agent (the "Administrative Agent"), registrar and transfer agent (the "Transfer Agent") for the Company. 2. Significant Changes during the period

Mr Jiro Ikegaya joined as Director of Nikko Asset Management Luxembourg S.A. on April 26, 2023.

No other significant changes occurred during the period ended August 31, 2023.

3. Significant Accounting Policies

(a) Presentation of Financial Statements

The financial statements are presented in accordance with Luxembourg legal and regulatory requirements. The preparation of financial statements, in accordance with Luxembourg requirements, requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

(b) Determination of Net Asset Value per Unit

The Net Asset Value ("NAV") per Unit of each Sub-Fund is expressed in its currency of denomination. The NAV per Unit of each Class of each Sub-Fund is calculated in the currency of the Sub-Fund on each valuation day ("Valuation Day") at the valuation point, as described in the prospectus.

Any assets denominated in non-Reference Currency shall be converted into Reference Currency as of the Valuation Point based on Reuters 12 pm (EST) spot rate.

(c) Cash

Cash and other liquid assets are valued at their face value with interest accrued to the end of the Valuation Day.

Notes to the Financial Statements as at August 31, 2023 (continued)

3. Significant Accounting Policies (continued)

(d) Valuation of the Investments in Securities and Financial Derivative Instruments

The assets of each Sub-Fund were valued as follows:

Securities and/or financial derivative instruments which are quoted or dealt in on any stock exchange shall be based on the last available closing price and each security traded on any other organized market shall be valued in a manner as similar as possible to that provided for quoted securities. For securities for which trading on the relevant stock exchanges is thin and secondary market trading is done between dealers who, as main market makers, offer prices in response to market conditions, the Management Company may decide to value such securities in line with the prices established.

For non-quoted securities or securities not traded or dealt in on any stock exchange or other organized market, as well as quoted or non-quoted securities on such other market for which no valuation price is available, or securities for which the quoted prices are not representative of the fair value, the value thereof shall be determined prudently and in good faith by the Management Company on the basis of foreseeable sales prices.

Financial derivative instruments which are not listed or traded on a regulated market are valued at their estimated market value in a reliable and verifiable manner, in accordance with market practice.

Shares or units in underlying open-ended investment funds shall be valued at their last available NAV reduced by any applicable charges.

In the event that extraordinary circumstances render such a valuation impracticable or inadequate, the Management Company is authorized, prudently and in good faith, to follow other rules in order to achieve a fair valuation of the assets of the Sub-Fund.

(e) Securities Transactions and Investment Income

Securities transactions are recorded as of trade date for financial reporting purposes. Realised gains and losses from securities sold are recorded on the identified cost basis. Interest income, including discount and amortization of premiums, is recorded daily on an accrual basis, net of any applicable withholding tax.

(f) Distribution Policy

Each year the Management Company may decide to distribute all available income as well as all other distributable items allowed by Luxembourg investment fund laws consisting, in addition of net income, of gains (realised or unrealised) or of capital as a distribution to the Unitholders, as long as and to the extent that the minimum sum of net assets of each Sub-Fund prescribed by Luxembourg law or its foreign equivalent is maintained. Distributions to Unitholders may be paid only if the net assets of the Fund do not fall below EUR 1,250,000. Annual distributions may be declared separately in respect of each Class of each Sub-Fund by the Management Company.

Interim distributions may be paid at any time of the year as deemed appropriate upon a decision of the Management Company in relation to any of the Classes of each Sub-Fund.

Distributions, if declared, shall be paid as soon as practicable after the declaration, and considering that all Units of each Sub-Fund are entitled to participate equally in the profits made and dividends paid in respect of the relevant Sub-Fund of the Fund.

The amount of distributions to be paid to Unitholders, if any, is determined by the Management Company in its sole discretion. Distributions, if any, are paid to the relevant Unitholders generally on the second Business Day following the relevant Ex-Distribution Date. A Unitholder who submits subscription documents on or before the Business Day immediately prior to the relevant Ex-Distribution Date is entitled to receive relevant distributions.

Entitlement to distributions and allocations not claimed within 5 years of the due date shall be forfeited and the corresponding assets shall revert to the relevant Sub-Fund of the Fund.

(g) Foreign Exchange Transactions and Translations

The market values of foreign securities, currency holdings and other assets and liabilities, which are not denominated in the Sub-Fund's currency, are translated based on the current exchange rates each business day. Fluctuations in the value of currency holdings and other assets and liabilities resulting from changes in exchange rates are recorded as unrealised foreign currency gains or losses. Realised gains or losses and unrealised appreciation or depreciation on investment securities and income and expenses are translated on the respective dates of such transactions. The effects of changes in foreign currency exchange rates on investments in securities are not segregated on the Statements of Operations from the effects of changes in market prices of those securities, but are included with the net realised and unrealised gain or loss on investment securities.

The presentation currency of the Sub-Funds is denominated in Japanese Yen. The presentation currency of the Fund is denominated in Euro. The financial statements of each Sub-Fund on the Combined Statement of Assets and Liabilities and the Combined Statement of Operations have been translated from their presentation currency to the presentation currency of the Fund (EUR) at exchange rates prevailing at August 31, 2023 to arrive at the Fund totals.
